

Rules for On-line Safety

I will not give out personal information such as my address, telephone number, parent's work address, or name and location of my school without my parent's permission.

I will tell a parent or teacher if I come across information that makes me feel uncomfortable. Then click the back button out of the page.

I will never agree to get together with someone I "meet" online.

I will never send a person my picture or anything else without first checking with my parents.

I will not respond to any messages or e-mail when I do not know the sender or if it in any way makes me feel uncomfortable.

I will talk to my parents so that we can set up rules for going online.
