

## St. Mary's Primary School's Annual Fund

### Why is The Annual Fund needed?

Tuition and fundraising does not cover it all. The Annual Appeal helps to enrich academic and student programs, to sustain programs and activities that are not covered by tuition. Supplemental funds raised through the Annual Fund are essential if St. Mary's Primary School is to continue to provide students the best Catholic education possible.

### Past Accomplishments

Through the sincere generosity of the many contributors to the past Annual Fund Drives, some of things that we were able to achieved: new playground, on-going upgrading and advancements in technology (Interactive White Board and additional computers in our labs and classrooms), and various cultural student-centered activities that were held throughout the academic school years.

### Why Me?

At a time when there are many charitable requests, you may ask: *Why St. Mary's Primary School?*

The answer is simple ....

*“ . . . because what can be more important than a child's education, as well as your gift will truly make a difference in the life of our school now and for years to come.”*
